Subject: RE: letter of protest- DUKE POWER

Dear Tom and Vicky Jackson,

This is to acknowledge receipt of your email to the Public Service Commission of South Carolina. Your email will become a part of ND-2015-20-E - Duke Energy Carolinas: Foothills Transmission and Substation Project- 45-Mile Transmission Line Between Asheville, NC, Power Plant and New Substation Near Campobello, SC, and will be posted on our website under this docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling
Administrative Coordinator

E-mail: /

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)
We are landowners in the vicinity of one of the proposed high voltage power line routes that Duke Power is proposing.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

These high voltage lines will have a severe negative effect on our area. The towers will be over 140 feet tall, and will be a blight on the scenic nature of our foothills. They will be an eyesore, reduce property values, have a negative effect on wildlife,
and constitute a health hazard due to the pesticides used under the towers. Route 11 has been designated as a "scenic corridor" and these power lines will destroy the scenic nature of this area.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? * No
